Subject: IRIS Report to Congress - quick turnaround!
Attachments: 2015 Integrated Risk Information System_Interagency Combined_NCEA_10-07-....docx

Hi all,

Bob came back with a couple questions on the latest draft of the report to congress. Tom and Lek are good with it going forward after we address Bob's last few questions. I've drafted responses below (in italics), and attached the latest draft back to this email. Thoughts/edits? I'm most confused by the first one asking about the status of the peer review for formaldehyde.

The remaining questions are....
